- Fees for NEW 5/8" Standard Service¹ are as follows:
 - \$200 membership fee² *plus*
 - \$695 tap fee *plus*
 - \$300 capital contribution fee *plus*
 - \$75 Customer Service Inspection³ for a **Total of \$1,270.**
- Larger meter sizes are charged higher tap fees.
- RESERVICE fees apply to property previously receiving service. If you believe this may apply to your property, contact our office for general information on how Reservice Fees are calculated. Since these fees are based on the number of vacant months, each case will be unique.

¹ Non Standard Service, which requires extensions, road bores or other improvements, will have additional costs associated with providing service.

² Membership fee for new memberships, increased from \$100.00 to \$200.00 per Board Approval on July 14, 2017.

³ A \$75.00 fee is charged for the first inspection and \$50.00 for each additional inspection. It is therefore important that the member's plumbing facilities are in order when the inspection is scheduled.
